

WASH YOUR HANDS

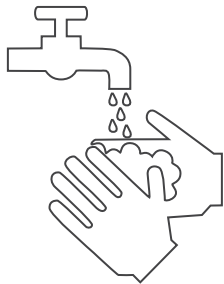

BEFORE & AFTER WEARING GLOVES

1

Wet hands

2

Lather with soap for 10-15 seconds

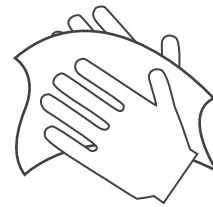

(use friction and pay attention to under fingernails, between fingers, and lower arms)

3

Thoroughly rinse under clean, running warm water

4

Dry hands completely using a single-use paper towel or air dryer

5

Use a single-use paper towel to turn off water and open the door to avoid recontaminating hands
